The 1979-80 pep units were high on pride and spirit this year. They started off the year with some great pep rallies. Pep units not only supported the boys' sports but the girls' teams as well. During the summer they attended a spirit camp at the University of Santa Barbara. They had 5 days of hard work but enjoyed every minute of it. Their hard work paid off at the end when they received many ribbons for their excellent routines. The girls will never forget all the fun times they had cheering on the Pilots and making this year one of the most spirited Excelsior ever had.

MUSIC MAKERS

To promote school spirit and pride was the motive for this year's Excelsior Pilot band. Under the direction of Mr. Lee Mitchell and the drum majors Frank Morales and Cyndy Rosa, the band performed spectacular shows at football games. Besides wearing the standard uniform, the band wore a uniform consisting of white pants and green sweatshirts when attending pep rallies and assemblies. The band participated at several parades and also at Magic Mountain, displaying their fine talent.

The 1979-80 drill team started off the year with a very spirited performance at the welcome assembly.

Under the direction of Miss Judy Fattor, this year's drill team was the first to ever attend a summer camp. There the girls participated in many routines and came home with many ribbons. Drill team certainly proved to be one of Excelsior's better drill teams by their half time performances. They always took much spirit with them wherever they went!

On October 31, 1979 Excelsior High School students celebrated Halloween by dressing in various costumes. This Halloween proved to be Excelsior's most spirited because of the many students who participated in dressing for the costume contest. First place prize went to Raymond Portillo who dressed as a discreet female flasher; second place prize went to Becky and Bernadette Lara who were dressed as Mama and Baby bunny and third place went to Ormeana Tidwell who dressed as a native of our 49th state, Hawaii.

THE THRILL OF VICTORY

"We control our own destiny", were the words of second year varsity football head coach Jeff Brinkley. Control they did. The 1979-80 varsity football squad had a chance at the prestigious CIF playoffs for the first time in seven years.

The first victory came against Glenn, 21-0 in the league opener. The Pilot team fought to the last seconds against Mayfair and Norwalk, but dropped those decisions 18-41 and 6-9. However, the Pilot team gave 101% when they met Bellflower, and made it a very happy Homecoming, shooting down the first place Bucs, 21-13. The Neff Trojans were the next victims of the Pilot brigade. But, with disappointing losses to Artesia and Paramount, the Pilots lost their playoff spot to Bellflower.

Still, Pilot quarterback, Bally Ortega ranked twentieth in passing among the CIF stats. Ortega completed 65 of 135 attempts for 953 yards. Ortega's favorite receiver, Paul Sotelo ranked ninth among CIF pass-catchers. Sotelo reeled in 35 passes for 482 yards.

All in all, the Pilots have come a long from the cellar position that they have occupied in previous years. And in the eyes of all the fans and supporters, *they are number one.*

FROSH FOOTBALL

Excelsior's freshman football team showed great enthusiasm and dedication when entering the 1979 season under the direction of Coach Bob Garcia.

Although the team suffered 5 losses, they never gave up hope or determination, showing 101% against Mayfair and Norwalk. After the Pilots victory over Norwalk, the highlight of the season, came this famous quote from coach Garcia, "I hate purple."

The team finished the season with a 2-5 record, but seem to be very promising in their future years. To the freshman team, work was just as important as winning, which proves who really is number one.

The starting time of the big event was 7:30 pm on March 8. Two weeks of hard work for the girls finally came to an end. Seniors were in the green jerseys; juniors were in the white jerseys. When the game started both teams were determined to prove their pride and spirit for their class. As the 1st half ended the score remained 0-0.

Halftime was the crowning of King Powder Puff, which was won by Richard Vos. There was also a football game between the cheerleaders for halftime entertainment.

Third quarter was one of excitement with the first kickoff being run back by Cindy Torralva. In the fourth quarter, the seniors came back when Robyn Eddy made a

touchdown with Letty Esnarya making the extra 2 points. With only 6 minutes left on the clock, Robin Wilkins ran for a touchdown making the final score 14-6, in favor of the super seniors.

GET IN STEP

The 1979-80 varsity cross country season was marked by several events that have not occurred in past years. First and foremost, the Pilots brought home the Suburban League Championship after an impressive undefeated league season. Second, the Excelsior harriers were able to place five runners in close contention for first place in every meet. This resulted in devastating defeats handed to many of Excelsior's opponents. Coach Orrin Walker stated, "Our one point pre-league loss to El Monte was advantageous; it gave the team a desire to work harder toward our eventual goal—a league title." The varsity squad was led by senior George Luna. Sophomore brothers Al and Ed Luna were not far behind, while senior Sal Echavarria and sophomore Raul Alvarez rounded out the top five. Senior Javier Gracian, juniors Jesse Gracian and Manuel Moreno, and sophomore Raul Macias, filled out the varsity squad. The varsity Pilots took the Norwalk — La Mirada District Championship. Most inspirational athlete was Al Luna while most valuable was George Luna, and most improved was Jesse Gracian.

This year's J.V. Cross Country team was as victorious as its varsity with a League Championship of 7-0 and a over-all record of 8-0. The J.V. team was also under the coaching of Mr. Orrin Walker. The team consisted of three sophomores and four juniors. The team's MVP was Javier Gracian who really showed much effort as did the whole team. The MIP was John Mills. These boys are expected to do well in the up-coming years here at Excelsior.

GO GIRLS!!

The varsity girl's cross country season was exemplified by both encouraging events and frustration. Encouraging was the fact that the team consisted primarily of sophomores. Frustration was seen in the close losses in dual meet competition. The girls were led by sophomore Jackie Moreno and senior Mila Lopez. The varsity girls placed fourth in the league finals with outstanding performances registered by Mila Lopez, Jackie Moreno, Barbara Vos, and Sonia Campbell. In the Norwalk-La Mirada District meet, the Pilots placed second the most valuable player was Jackie Moreno; the most inspirational player was Barbara Vos; the most improved athlete was Maria Cervantes.

GALE'S GALS

What a year for J.V. volleyball!

The Excelsior J.V. volleyball team was a real credit to the school. They displayed much concentration, togetherness and true team spirit throughout the season.

Under the instruction of Allissa Gale, an Excelsior alumnus, and as a result of many hours of rough work-outs after school, the junior varsity team had an extremely successful and record-breaking season with a second place finish in the Suburban League.

Happy with her team, Coach Gale stated, "I was really surprised and excited on how the team improved throughout the season. We made history at Excelsior!"

VARSITY TRACK

Excelsior's 1980 varsity track squad exhibited tremendous improvement over previous years. Strength was seen in the distance races; Excelsior dominated the quarter mile, half mile, mile and two mile due to the efforts of senior George Luna and sophomores Al and Ed Luna. But the Pilots also fared well in the sprinting department led by senior Tony Tafoya and junior Lance Conteras. Pilot field events were noteworthy in 1980 due to juniors Fabian Chavez and Bryan Lawley. Hard work, team spirit and effort brought about the emergence of a league contender; in 1980, victory did not allude the Pilot tracksters.

ANNUAL STAFF

The 1979-80 El Aviador staff began the year and the yearbook with much enthusiasm and superb ideas.

The staff went through the course of the year displaying much hardwork and dedication both in class and in after school sessions. While the staff devoted much of their time and efforts to meeting deadlines, they never missed a laugh. There were always high spirits in the air and many smiles around when it came down to the final minutes.

Staff advisor, Ms. Joyce Ricci and editor, Yolanda Garcia were of great help to the staff. They felt that each staff member contributed to the creative thoughts, organization and originality of the book.

When the final proofs arrived and the staff saw the results of their work they felt the 1980 El Aviador was the best book published by Excelsior.

HOLIDAY HOP

The Christmas Dance on December 14, 1979, was held in the boy's gym and the music was provided by Disco Express. Though low attendance, many were impressed with the disc jockey's performance!

Decorations were provided by the ninth and tenth grade officers, featuring a beautifully decorated Christmas tree as the main attraction.

ASSEMBLIES

Assemblies were quite a treat at Excelsior. Although there were few, they were very interesting. Students showed much enthusiasm, especially as they were filmed by Channel 7 Eyewitness News, during the Christmas assembly. Other assemblies included: Ron Mingo typist, Pete Hambrich World Finest Chocolate representative. Finally was the senior farewell assembly in which we bid farewell to the class of 1980.

Spring Fling week added a boost of spirit to Excelsior's campus. Each day there was a different event and dress. On Tuesday it was nerd day, and the auction of the teachers pie throwing contest. Wednesday students dressed in punk and zoot suit outfits and had the chance to buy their favorite powder puff king nominee to be his/her slave for a day. Fifties was the atmosphere at Excelsior on Thursday. Each class competed in the ice block race and the class of 81 won this event. Friday was the big pep rally put on by Powder Puff cheerleaders who were junior and senior boys.

FACULTY

PRINCIPAL'S MESSAGE

It is my hope that each student at Excelsior High School has had a pleasant and profitable educational experience this year. High school should be a happy time. It should be a time for making friends, acquiring basic skills and developing ones curiosity for learning. Your high school years are no different than any other time in your life. You take away with you in proportion to what you have given in time and effort. As you go through your year-book, your reflection should be happy and pleasant, for ours has been a good year at Excelsior.

ASSISTANT PRINCIPAL'S MESSAGES

7

This has been an exciting and challenging year for us in the area of Attendance and Discipline Services. We have observed many positive changes in the attitude and in the behavior of our students. You and your parents are to be commended.

Have a good summer. I look forward to working with you in the fall.

Francisco Garcia

Completing four years of high school is an achievement worth noting because it has developed patterns of behavior that will be life-lasting. Your education, be it academic or vocational will provide two choices as years pass. Obviously, the first choice will be the success you achieve as an adult, which brings happiness and security. The remaining choice would relate to the individual who has struggled but yet has expectations of success. These expectations can be measured over the years by the person's intensity to preserve a specific task or assignment.

Each graduate recognizes the responsibility of future years that befalls them. Individually, these challenges are met and solved. It is with sincerity that I hope each person succeeds in their choice of vocation of life's direction. Good luck to each of you in the futures years.

Stan Thomas

This year we have had dreams. We have seen many of them come true and others not mature. We have learned together that every success we had was only a dream at the start. That action and toil made things happen. We learned that the best kind of dreams were the lofty, because the loftier our dreams the greater success. May you take from Excelsior the vision that successful people are those that have dreams because, "Dreams are the seedlings of realities."

Gil Ulibarri

This year at Excelsior, the counseling system was a bit different. Along with the usual academic counselors, three discipline counselors were added. The three academic counselors were: Mrs. Estes, Mrs. Croft and Mr. Soto. The three discipline counselors were: Mr. Crosby, Ms. Molly De Leon, and Mr. Francisco Garcia. Students were assigned to academic and discipline counselors according to their last names in the alphabet. These counselors were always ready and willing to help when Excelsior students when they needed them.

This year the career center invited any student at Excelsior to visit. The career center was equipped with books, magazines, film strips and literature for any major vocation. It even had available information on the Armed Forces for interested students. The career center was headed by Mr. J. D. Sarver and was a place Excelsior students could seek information on a job or future career. It was always available.

Hey shaving partner!
As the years go by, remember
the smooth & the stubble, take
the two blade for the one. Don't
read shavers by their covers.
Most of all let the shave speak
for itself.

Now to be serious, MULE

Mary, thank you so much for making my senior year so very special for me. *Ernie.*
To Varsity Football. Thanks for a great year. And good luck for next year. *Bally & Adrian.*

As seniors we faced our final year,
Not alone.
But with friends so dear.
The tables turned with our varsity team.
Winning was a reality,
Not only a dream.
21-13 was the homecoming score.
We sure showed the bucs
How the pilots could soar.
Halftime activities were a beautiful scene.
As the moment came
Yolanda Gandara was queen.
Standing in line wondering how we would pass,
Those re-admit cards
Really kept us from class.
Spring fling activities with the ice block race
Included class competition,
Zoot suit and Punkers all over the place.
Powder Puff came and it was a sight
As opposing teams
Were papering each night.
Jrs. and Srs. were friends no more.
But seniors proved victorious —
14-6 the final score.
Varsity volleyball was quite an event
As practice made perfect,
'Cause to C.I.F. they went.
Government classes caught the senior germ
Mr. Kraushaar was hard,
But boy did we learn!
May 24th that was the day
When we dressed up in formals,
And off to the Hilton in L.A.
Senior Square that was the place
Where we always saw
A familiar face.
Seniors, supreme we reigned
When we did Seniors Rise,
Our echos remained.
And now that graduation's here
To some it brings a joyous smile,
To others it brings a tear.
For 4 years we have tread a path from dawn to setting sun
But now the path gets steeper,
And the climb has just begun.
We made new friends and kept the old
For one was silver,
The other gold.
We met as strangers, loved as friends
Hope to meet in heaven,
Where friendships never end.
The class of "'80" is gone
But the friendships and memories made
Will live forever on.
And now to our Alma Mater we must part
To bid our last farewell
But Excelsior will always live in our heart.

It has been a great honor to be elected as your A.S.B. President. It was a big responsibility and I tried my best to do a good job. We had some troubles this year, but all in all I feel as though it's been a great year. As a student body you should feel proud of yourselves for the good job you did bringing this school back on its feet again. I feel proud representing all of you. I wish everyone in the great class of 1980 the best of luck in the future.

Ernie Sosa

A.S.B. President

Being the El Aviador editor has been a big responsibility and I tried my very best to make the 1980 edition the best book ever. I sincerely feel that the whole yearbook staff and I, as the editor have fully achieved this goal.

The staff showed much creativity, ability, and determination, because each part of the book is a part of us. Every effort was made by our productive staff to make this yearbook acceptable to you, the student body. And with the enourmous help of Ms. Ricci we were able to meet deadlines and enjoy our work thoroughly. I hope everyone will remember the 1980 school year by looking at their yearbook and the memories we tried to capture.

As long as I live I will never forget my senior year as the El Aviador editor. I give my many thanks to Ms. Ricci and everyone on the staff for making me proud to have been the 1980 El Aviador editor

AMA,
YOU ARE ONE BIG WERID PERSON,
AND I DO MEAN BIG. BUT WE
HAVE HAD FUN TOGETHER IN CLASS.
AND MAYBE WE'LL BE IN ANOTHER
CLASS. GOOD LUCK IN THE FUTURE,
AND MAY YOUR LIFE BE ONE BIG

Oh, Sumo, One-Ton Tomato, and Mrs. Sears, it has been a pleasure knowing you. I hope you'll never forget Felix - keep up the tradition! Or how about all of our Excelsior Life Gumbys! Oh well, we made it anyway. That's all that matters. I also hope that you'll be able to recruit a few more life staffers or you'll be in worse shape than you are now. It's really a shame that we never caught Ziegfried. That only means that you will have to catch him by yourself - I'll leave my shoe phone number in case you have any trouble. Good luck, Laura, and best wishes always!
